Passing the special EPS-TOPIK only guarantees the qualification for job application for EPS, and does not guarantee the employment in Korea.

Moreover, persons who are restricted from the employment in Korea, such as those who do not pass the medical examination or who have the record of illegal stay in Korea or who do not meet the criteria for E-9 visa, cannot be employed in Korea.

If the drug test results are positive after entering Korea, you can be returned to your country

According to MOU between Ministry of Employment and Labour of the Republic of Korea and the Ministry of Foreign Employment of Sri Lanka, only SLBFE has the legal authority to send Sri Lanka workers to the Republic of Korea. Only the job seekers who passed the EPS-TOPIK and registered on the roster by SLBFE can be hired by Korean Employers. If any other private sectors are involved in procedure for sending workforce, there will be the legal punishment for those acts.

It costs 24 USD (or same amount in local currency - Rs. 3,785/=) for an applicant to take Special EPS-TOPIK and only the certain amount of money noticed officially as a sending cost by SLBFE during the registration period of a job application form will cost you for entering Korea under the EPS. Besides, except SLBFE, any other agency or person is not allowed to be related to employment procedures of EPS. For this reason, all applicants should be aware of this fact and protect themselves from any damages or losses caused by anyone or any other agencies' absurd (deceiving) proposal related to recommendation or employment in Korea under the EPS.
