

## DEVELOPMENT AND REVENUE ENHANCE OF SLBFE & Its STAKE HOLDERS

(03 years plan)

### Guidelines to submit ideas and suggestions

1. Box "A" in attachment 01, is the present situation of the suggestions been made relevant to your Division or present situation of the organization (please use an additional sheet if there are more than one subject area/suggestion). The present condition of suggestion/s made by you must be mentioned therein (see example).
2. Arrow indicates the expected progress of the suggestion made by you in three years from now. That is the expected outcome to be achieved during the next three years of the situation mentioned in the Box "A". Briefly describe the details of the target in Box "B".
3. Plans/suggestions proposed by you to achieve the outcomes mentioned in Box "B" should be in details mentioned in Box "C".

e.g. If it's a banking organization

A. Special savings accounts  
(Migrant workers open 2000  
accounts per year)

B. Increase the number of special  
savings accounts to 3000 per year  
and increase the number of  
savings accounts to 9000 in the  
next three years

- C.
1. The Bank to contribute USD 5/- for each new account
  2. Offer attractive interest rates
  3. Provide educational scholarships for children of migrant workers
  4. Conduct an annual draw and provide valuable gifts
  5. Provide an insurance coverage for migrant workers
